Thank you for taking lessons at **Route 86 Music Rock School** Here is some important information for you to know.

### 1. GENERAL INFO

- **PARKING:** Please park along the tree line where the sign is located. This keeps our driveway and our neighbor's drive-through clear.
- **WAITING AREA:** If you need to wait for a lesson, you are welcome to wait in the lounge area of the Music Store. You are welcome to turn on the TV.
- **CONCESSIONS:** The Music Store does sell snack food and pop if you want something while you are waiting.
- **RESTROOMS:** A restroom is available in the Music Store.

### 2. LESSONS:

A. **Price and Payment.** The price is \$13.50 for a 30-minute lesson. Just like any other business, **Route 86 Music** will require payment at the beginning of each month. If that is a problem, please speak to Gary to arrange a payment schedule to help make it work. Receipts are available upon request.

B. **Missing a Lesson:** If a student does not show up for a lesson and does not call ahead or switch with someone, then the same fee (\$13.50) will apply as if they had attended the lesson. Each student will receive a master schedule and a phone list of other students. If a student cannot make a lesson due to illness or other situation, please call another student and arrange the switch yourself. Then you don't miss your lesson that you're paying for. Otherwise, call Gary and he will try and reschedule your lesson.

C. **Inclement Weather.** As inclement weather can come at any time, we will follow school district closings. If there is no school or early dismissal, then there will be no lessons. A late start will still mean lessons that day. Please call us at any time to confirm lessons on or off.
